

Ripples of Change

2024 Annual Report

April 1, 2023 - March 31, 2024

CATHOLIC
CHARITIES
NEW HAMPSHIRE

Dear friends,

“The one who supplies seed to the sower and bread for food will supply and multiply your seed and increase the harvest of your righteousness. You are being enriched in every way for all generosity, which through us produces thanksgiving to God.”

2 Corinthians 9:10-11

As I reflect on the past year, I realize that you have made possible the life-saving work that is bringing hope to those living in despair. With your help, our elderly are receiving care with compassion and dignity, families are being strengthened, and the disheartening and even crushing cycle of poverty is being overturned in profound ways.

Those life-changing experiences are highlighted in this year’s Catholic Charities New Hampshire Annual Report, *“Ripples of Change.”* Every story highlights the impact of a caring hand, a listening ear, and a thoughtful path forward. They also demonstrate the fortitude and determination of individuals who overcome extreme challenges, through the help of experienced, compassionate staff. In the Book of Genesis, Lot’s wife looked back and was turned into a pillar of salt. Through God’s work being done through Catholic Charities, dads, moms, children, the fearful, and the distrusted look back and see how far they have come into a new life filled with hope and accomplishment.

Since 1945, Catholic Charities New Hampshire has been providing hope and dignity to countless individuals and families through compassionate and caring services. Through that work, our poor and vulnerable neighbors are lifted and empowered. You are the strength and compassion behind that good work, and I am grateful for all you do in service to our Lord and His people here in New Hampshire.

May God’s grace and love continue to shine through us as we journey together in service to others.

Sincerely yours in Christ,

Most Reverend Peter A. Libasci
Bishop of Manchester

Dear Friends,

Have you ever wondered how a single act of kindness can set in motion waves of transformative change?

The heartwarming stories highlighted in this year's Annual Report embody "*Ripples of Change*" and, more importantly, reflect Christ among us through the many different faces filled with courage and resilience. They remind us of the profound difference we can make when we come together as a community with a shared purpose.

You'll read about David and Shauna, grateful to have a dry and warm roof over their heads after living two years in a broken-down van; Misty, who went from being a pregnant teen without much hope to fulfilling her dream of becoming a nurse; and Spenser, separated from her son after struggling with substance use, finally getting the support and guidance she needed to move into her own apartment – with her son – for the very first time. Finally, Michael, working bravely to overcome a traumatic brain injury and post-traumatic stress after a tour in Afghanistan where he saw many of his comrades pass away.

I think of a profound quote from Mother Teresa: "*I alone cannot change the world, but I can cast a stone across the waters to create many ripples.*" Each act of kindness, no matter how large or small, like that stone, creates ripples that extend far beyond the initial act – fostering moments and major milestones that move the individuals and families we serve further away from crisis and despair, and closer to futures filled with hope and stability.

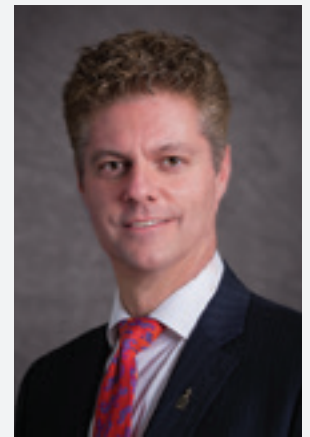

Thank you for embodying the spirit of empathy, and for walking hand-in-hand with us on this transformative journey, uplifting lives, creating opportunities, and inspiring hope. YOUR generosity and thoughtfulness have animated these stories and have helped them come to life and, for that, I am profoundly grateful.

Together, we will continue to build a future where love and compassion prevail and where the most vulnerable among us find solace, support, and pathways back toward wholeness.

In gratitude and with a prayer for God's blessings,

Thomas Blonski
President & CEO

From Cold Nights to Warm, Hopeful Futures

David and Shauna looked around their new apartment, feeling immense gratitude to Catholic Charities NH donors for transforming their lives. From cold, sleepless nights filled with fear and hopelessness, they now have a warm roof over their heads, access to enough food, and peace of mind knowing that everything will be okay.

For two years, these high school sweethearts lived in a small, used van, despite both having full-time jobs. Their home was a makeshift shelter with a bed, a tiny fridge, and their belongings packed in bags. Saving money was a constant struggle.

Eventually, the van broke down, and repairing it was too costly. When a leak formed in the van’s roof, a tattered tarp became their only shield against the harsh New Hampshire winters. To stay warm, they used a portable propane heater, cracked open windows and relied on a carbon monoxide detector for safety. Most nights, they lay awake, worrying whether they would see the morning.

Shauna finally found an affordable apartment, but they could only gather half of the security deposit.

Desperate, they called Catholic Charities NH, a call that changed everything.

Thanks to compassionate donors, David and Shauna worked with our Community Services program and received the remaining balance needed to move into the apartment. Catholic Charities NH provided furniture, connected them with a local food pantry, and facilitated further rental and utility assistance. They also received financial literacy training, which enabled them to create a sustainable budget for a secure future.

Today, David and Shauna sleep peacefully in their warm apartment, their dreams no longer haunted by fear and uncertainty. Your support created ripples of positive change that will continue to spread for years to come.

“If it wasn’t for Catholic Charities NH, we would still be in that broken van, getting soaked and taking desperate measures just to stay warm. People like you are amazing – always there to help and doing everything you can to get people’s lives back on track.” – David

An Improbable, Incredible Journey

Wearing a cap and gown and a big smile, Misty Rodriguez strode confidently across the stage to receive her nursing diploma as her family loudly cheered her on. This was her dream come true—a dream made possible by generous donors like you.

It was also a moment she never thought possible when she first reached out to Catholic Charities for help, 27 years ago, homeless and pregnant at age 15.

Desperately in need of guidance, Misty entered the Our Place pregnancy and parenting education program and received the support she needed to give birth to a healthy baby boy. Learning to safely care for her child was a big part of her continued participation in the program, but Our Place also helped her discover opportunities to move forward and create a better life for her and her son.

Our Place helped Misty access two Catholic Charities grants to earn her GED and her Licensed Nursing Assistant (LNA) certificate, which led to a job at St. Teresa Rehabilitation and Nursing Center (operated by Catholic Charities NH). This new role gave her the income to bring her out of poverty.

A few years later, Misty's husband faced an immigration issue. They received help from Catholic Charities' Immigration Legal Services team to keep her family together – a family that grew to include four children – with her husband eventually becoming a US citizen.

Catholic Charities once more intersected Misty's life three years ago when she learned about our donor-supported Pathways scholarship and the opportunity to become a nurse at last. Misty applied for the scholarship and was accepted, completing the Licensed Practical Nurse (LPN) program a year later.

With a diploma in hand, Misty thought back to that day in 1997, when she first arrived at Our Place, and the amazing sequence of events that brought her to where she is today – ripples of change, thanks to donors like you.

“Catholic Charities was the only organization I found that could help. I'm so thankful for the donors from years ago to today – it's more than a donation, it's changing a life. I'll be forever grateful.” – Misty

Mother & Son Forge a New Beginning

Tears of joy. Because of your support, Spenser was getting her son back.

Twelve months earlier, Spenser had given birth to her son Colton. Homeless throughout her pregnancy and with a history of substance misuse, she arrived at the hospital having relapsed a few days before. Doctors soon discovered drugs in her system and Colton’s as well. Colton was placed in foster care, giving Spenser one year to turn her life around and have a chance to regain custody.

After completing a seven-month drug rehabilitation program, Spenser needed a safe place in which she could continue her recovery and rebuild her life. She found New Generation, a shelter and pathway out of homelessness for pregnant women and single mothers with young children who are escaping domestic abuse, recovering from substance addiction, and facing other significant struggles.

At New Generation, the staff empowered Spenser to move forward with her life, as she set and accomplished

goals, such as maintaining her sobriety, obtaining a job, and pursuing housing.

When Spenser appeared in court seeking custody, she was a changed person. She acknowledged past mistakes and stated her readiness to reunite with Colton – the result of the support she received and the work she put in at New Generation.

Soon after the judge ruled in her favor and Colton returned, Spenser secured permanent housing and moved into an apartment – the two of them finally had a place they could call home.

Spenser has since joined the team at New Generation, helping other moms rebuild their lives, ensuring the ripples of change that you made possible for her now impact even more women and children.

“New Generation is such a huge support, and a big part of getting my son back. Thank you very much to the donors – I’ve had so much help from people I don’t know and I’m just so grateful.” – Spenser

A Veteran's Second Chance

Michael has become himself again. Because of your support, he is again a man with a sense of purpose, which had been missing for over a decade due to the horrors of war, but was rekindled when Liberty House opened its doors to him.

An IED ambush in Afghanistan nearly killed Michael, leaving many of his fellow soldiers dead and him with deep physical and emotional scars. Diagnosed with traumatic brain injury and Post Traumatic Stress, he eventually received a medical discharge after 25 years of service in the United States Army – service that earned him a Bronze Star and Purple Heart from his multiple combat tours.

Transitioning to civilian life only made things worse. The flashbacks, the what-if's, and the nightmares persisted. In an attempt to numb the pain, Michael turned to drugs and alcohol, which cost him his family and even led to incarceration. He had nowhere to turn – until he found Liberty House.

Liberty House, a program of Catholic Charities NH, provides transitional housing and basic needs assistance to help veterans like Michael get back on their feet and once again have a chance to lead purposeful and independent lives.

Through the program's 4-step program and staff support, Michael began to rebuild his life, working on his recovery, obtaining essential documents, connecting with mental health counseling and setting goals to build a career he's excited about. The result is powerful – he's now working as a Certified Recovery Support Worker (CRSW), helping fellow veterans who are struggling.

Your support created the ripples of change that restored the life of an American hero.

"Thanks to Liberty House and all the donors of Catholic Charities, I have that sense of purpose again. It's such a humbling experience to know that people from all walks of life will help somebody like me when I was at my darkest point." – Michael

2023-2024 Highlights

3 Catholic Charities NH Nurses Pave Pathways to a Rewarding Career

This past year, the Pathways LPN scholarship program celebrated three new graduates!

Misty Rodriguez (St. Teresa), Susan Rindoria (Mt. Carmel), and Nicole Arris (Mt. Carmel) all earned their Licensed Practical Nurse (LPN) degrees through Pathways, which provides scholarship opportunities for healthcare professionals to advance their careers.

The donor-supported Pathways program also offers financial support for entry-level candidates pursuing Licensed Nursing Assistant (LNA) certifications and select scholarships for LPNs aiming to become Registered Nurses (RN).

CCNH's Mardi Gras Dazzles in Community Goodwill

February 10 was a night to remember as the 18th Annual Mardi Gras Gala took center stage in Concord. The evening featured New Orleans-inspired cuisine, lively dancing, and an array of entertainment that kept attendees celebrating well into the night for an incredible cause.

Mardi Gras raised \$222,000 in net proceeds to support Catholic Charities NH programs, which bring positive change to thousands of NH residents annually. The success of this year's event was made possible by the generous support of our sponsors, especially CGI Business Solutions, our Presenting Sponsor.

A Morning to Honor Our Veterans

The 9th Annual Veterans Day Breakfast provided a perfect opportunity to pay tribute to veterans who have made great sacrifices for our country and way of life. On November 4, attendees gathered at LaBelle Winery to hear inspirational stories, including those from two Korean War veterans and a resident of Liberty House.

The event raised over \$38,000 to support Liberty House, which offers a sober residential program and community pantry for veterans dealing with homelessness, PTSD, and other challenges.

CCNH Skilled Nursing Facilities Honored Nationally

Five Catholic Charities NH skilled nursing facilities once again received national honors with a 2024 Customer Experience Award from Pinnacle Quality Insight, recognizing the highest national standards in patient and resident experience.

Mt. Carmel Rehabilitation and Nursing Center (Manchester), St. Ann Rehabilitation and Nursing Center (Dover), St. Francis Rehabilitation and Nursing Center (Laconia), St. Teresa Rehabilitation and Nursing Center (Manchester), and Warde Senior Living (Windham) were consistently in the top 15% of care providers nationwide over the past year.

This marks the second consecutive year that Catholic Charities NH and these facilities have earned this distinction, with the five facilities being among only six providers statewide to receive this honor this year
